AIP  
SUPPLEMENT  
(SUP)

**H145/17**

**Effective: 201804021400 UTC**

## **GOLD COAST AIRPORT COMMONWEALTH GAMES 2018 OPERATIONAL ARRANGEMENTS**

### **1. INTRODUCTION**

- 1.1 This AIP Supplement (SUP) provides notification of the operational arrangements that will apply at Gold Coast Airport during the Commonwealth Games period between 201804021400 UTC and 201804161359 UTC.
- 1.2 The purpose of this AIP SUP is to maintain efficient airport operations whilst meeting the special needs and demands generated in support of the Commonwealth Games.
- 1.3 A designated holiday period (Easter Holidays) will occur during this period and the Gold Coast Airport will be operating at higher levels of demand. Increased RPT services, charter and itinerant operations requires restrictions and additional coordination to ensure safe and efficient operations.

### **2. LOCAL TRAFFIC REGULATIONS**

- 2.1 In order to ensure orderly operations, the following local operations will not be available:
    - Circuit training
    - Practice instrument approach training
    - Transit flights requesting touch and go landings
    - Training flights using airport for short duration turn around
  - 2.2 General Aviation operations intending to conduct AWK within the lateral confines of the Gold Coast CTR, must obtain preflight briefing from Brisbane Centre on 07 3866 3325. Operational restrictions will apply.
-

- 2.3 These regulations supersede AIP ERSA Gold Coast Local Traffic Regulations, paragraph 4, Training and AWK flights.

### **3. NOMINATION OF GOLD COAST AIRPORT AS ALTERNATE**

- 3.1 Due to increased traffic throughout the Commonwealth Games period, delays may be encountered. Gold Coast Airport will be available as a diversion airport for aircraft in a declared emergency. For all other operations, operators are requested not to plan Gold Coast Airport as an alternate during this period.

### **4. AIRCRAFT PARKING ARRANGEMENTS**

- 4.1 All aircraft, except for RPT operations, operating into Gold Coast Airport during the Commonwealth Games will need to obtain approval of parking arrangements. Parking arrangements must be booked by 2 January 2018. Late bookings will be accommodated if available.
- 4.2 These arrangements supersede AIP ERSA Gold Coast Local Traffic Regulations - Parking.

**Contact details for parking:**

Gold Coast Airport Manager

Email: [dutymanager@gcal.com.au](mailto:dutymanager@gcal.com.au)

### **5. CANCELLATION**

- 5.1 This AIP SUP self-cancels on 201804161359 UTC.

### **6. DISTRIBUTION**

- 6.1 Airservices Australia website only.
-
